

ADDENDUM IV
to MOU between California State Polytechnic University, Humboldt
and the College of the Redwoods

Men's Wrestling Program

FOR COLLABORATION BETWEEN THE CALIFORNIA STATE POLYTECHNIC UNIVERSITY,
HUMBOLDT
AND THE COLLEGE OF THE REDWOODS (CR) WRESTLING PROGRAMS

Cal Poly Humboldt (HSU) agrees to partner with CR to develop a men's wrestling program based at HSU. This two-three year effort enables HSU time to raise funding, develop the foundation, affiliate with an appropriate conference, and establish a championship program.

The program will rely upon CR and HSU in the following manner:

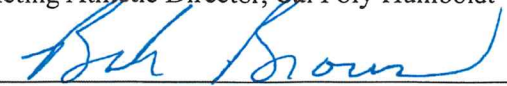

1. CR will hire a wrestling coach for the CR men's and women's program. This will occur prior to Fall AY 2023.
2. HSU will hire CR Wrestling as a consultant for the HSU men's wrestling program to be established at HSU; and in accordance with appropriate NCAA guidelines. This will occur prior to Fall AY 2023.
3. The HSU team will practice at HSU in accordance with NCAA guidelines. If needed, HSU will compete at CR using CR equipment and facilities for up to three-years.
4. HSU will seek to become a member of the athletic conference that provides wrestling as an intercollegiate sport. If unable to affiliate with a conference, HSU would consider participating as a club sport or unattached until such time the campus is able to join a conference.

This agreement, while signed by the Athletic Directors, can be terminated at any time by either campus president after consultation with the other president.

Timothy Downs
Acting Athletic Director, Cal Poly Humboldt
